PIANOS & MELODEONS

G. W. KIBBEE

W HO has been for many years located in Tennessee as a Tuner and Revairer of Pianos, would respectfully call the attention of the musical public to the fact, that he visited New York last year for the purpose of making arrangements with the best Piano Forte makers to sell their Instruments. After spending several weeks in that great metropolis, visiting the different manufacturers of note, he was to the conclusion and who might be indiced in this tropolis, visiting the different manufacturers of note, he came to the conclusion—and who might be judge in this case if a Tuner of twelve years is not?—that the Pianos of of Lighte, Newton & Bradbury's should be preferred to all others. He accordingly made an agreement with them, whereby he is conabled to furnish Pianos at retail cost in New York, freight and charges added, so that every one who buys of him may know that he is not paying more for his article than he would be charged by the manufacturers themselves if he were to visit them in person. This House is making twenty Pianos per week, a much greater number than is made by any other in the United States, and for purity and volume of tone and fineness of finish, both inside and out, the proof is that they stand wholly unrivalied. These Pianos were awarded the first premium by the led. These Pianes were awarded the first premium by the juries of the World's Fair and the Fair of the American Institute in 1833. Among the many Musicians and Ama-teurs who have from time to time examined these Instruments, testified to their superiority, and recommended them to their friends, are LOWELL MASON and Thos Hasrisus, of world-wide celebrity, H. C. Time, President of the Philhar-monic Society, N.Y., Theodorff Listfild, conductor of the Philharmonic Society, N. Y., Grolge F. Root, juror in the Fair of the American Institute, in 1858, J. Leatt, U. C. Hill, F. H. Nass, Edward Howe, Jr., &c., &c. Geo. J. When, of Boston, the well known and popular Teacher and Composer, after examining these Instruments and testifying to their entire a periority, opened a House in Boston, the central point of the once renowned Chickering, and within a short time sold upwards of Forty Pianos

to his music, i friends and acquaintances, many of them or the highest style and finish—4600 or \$700. This is the first New York Plano Agency ever established in Boston. Gso F Barsrow, of New York, the distinguished compo er, Organist and Pianist, was an horized by the New York Harmonic Society to select the heat Piano that could be made for their use. He gave the preference to Lighte, Newton & Bradbury's "large scale" over all others Grand's not excepted, and purchased one for the use of the Society. But Mr. Kinage deems it unnecessive to multiply words to the people of Middle Tennessee. The fact, that he has been for many years a successful Tuner among them, and has met with, and Tuned and Repaired Pianos of every make, should instilve confidence in his judgment; and the fact that he regularly visits them twice a year would show that it is more to his interest to sell them a good Piano than it could be to that of any other d-aler. As to the than it could be to that of any other dealer. As to the price and quality of these Pianos, Mr. Kinnag exhibits the price list ard description of the Makers, which contains twenty different styles at prices, ranging from \$250 to \$800, at their Ware Rooms, No. 421, Broome Street, New York. So there can be no deception practiced with reference to price or style of finish, slithough the Pianos are not seen until de iveres, and he is authorized by Messra, Lighte, Newton & Bradbury to give warrantees of all their Pianos sold by him. Mr. Lienner also visited the well known Melodeon Estab-ishment of Carhart, Needham & Co., No. 97, East 28d St., New York, and made an arrangement with them to furnish Melodeons, so that he can sell them at their New York retall

prices, freight added. These Instruments have become very popular in the Eastern and North-Western States, and truly deserve the notice of all those who are "Charmed by concord of sweet sounds."

He has also an arrangement with the firm of Firth, Pond & Co., New York, which enables him to furnish Sheet Minic and small Musical Instruments at New York p ices.

Min. Kirban ha formed a partner hip in the sale of these Pianos with D. E. Shrilver, of Shelby-ville, Tenn., who will keep a lorge assortment in ms elegant Furnituse Ware Rooms on D put street.

He is also engaged with THO. J. HAILEY, of Columbia, Tenn., who will keep a good number in his Daguerran Rooms at the Masonic Hall.

The eyentlemen will sell Pianos as cheap as they can be bought at the Ware-rooms in New York, after adding freight and charges. They are also supplied with Carhart, Needham & to's Meiodeons, which they will sell on the same liberal terms.

MR. KINGER will keep all Pianos sold by the above named gentlemen in tone for one year, without charge, and will give written warrantees by the authority of Lighte, New-ton & Brasburry on his first visit. All communications from the country on the subject of Pianos or Melndeons or of Tuning and Repairing will be promptly attended to. Families residing in the city cun leave orders at my residence, opposite odd Fellew's Hall, or address through the Post-Office, G. W. KIBBEK, March 11, '57, -1y.

CINCINNATI ADVERTISEMENTS. COUNTERFEIT: CONVENIENT RESIDENCE-LOTS AT PUBLIC

CAUTION TO PARTIES PURCHASING S. N. PIKE'S MAGNOLIA WHISK CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and s le proprietor of the above brand of WHISNY would respectfully inform his customers and pur chasers of this relebrated brand, that there has appeared in chasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whirsty, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnotia Whisty, tincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would jurchase the genome brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have snaly zed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public, protect those who are liable to be ecsived, and prevent the evil results attenting the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will procecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleverious or obnox-Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky Called Magnolia, but they are an immitation

of my trade brand, so be careful at d get the only genuine Magnolia Whisky made in the United States, and distilled only by me. SAM'L N FIKE,
